Internship Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

Applicants who wish to work in a collaborative college mental health setting, where personal, academic, and career counseling concerns are addressed would benefit from considering our site. We value diversity in all of its forms, and encourage reflective practice in addressing all competencies. Interns gain significant experience in the provision of supervision, group counseling, and outreach. Applicants who wish to move on to a variety of settings will find their training here to be applicable.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours			Amount: 380
Total Direct Contact Assessment Hours			Amount: 0

Describe any other required minimum criteria used to screen applicants:

We prefer experience or an expressed interest in college mental health, as well as a demonstrated interest in working with diverse populations.
